Classic Garden Elements...

was founded in

Germany and since its inception 15 years ago has established a worldwide reputation for the design and manufacture of a wide range of distinctive and elegantly crafted garden structures including Garden Arches & Obelisks, Rose Pillars, and special Garden Trellises. Products made by Classic Garden Elements are widely recognised to be amongst the most beautiful rose supports available.

“Everything for the rose, the queen of flowers” is the philosophy of Classic Garden Elements. All products are made of steel, hot-dip galvanized, powder coated black and guaranteed to be fully weather resistant and rust proof for 10 years. Irish garden lovers can now view and order Classic Garden Elements from the Dublin showrooms.
